

To Serve and Protect Day

Saturday, May 22nd

How does Irving Oil ® and Circle K ® support Special Olympics?

Each year, Irving Oil ® generously donates a portion of proceeds from oil sales from participating state dealers to the athletes of Special Olympics Vermont, in conjunction with participating Circle K ® stores that sell hang tags to raise additional funds. This year the "Fueling Dreams" event will run from May 22nd to June 6th. To help kick off this exciting event, which raised over \$19,000 for SOVT athletes in 2009, SOVT and Irving Oil ® are hosting the "To Serve and Protect" Day.

What do I need to know about TSP Day?

Date: Saturday, May 22nd

Time: 10:00 a.m. to 2:00 p.m.

Location: Participating Irving and Circle K Stations (please see attached list)

On TSP Day, local law enforcement officers join athletes from the area to help serve people who stop by during the day. Law enforcement officers are asked to help pump gas, while athletes work alongside, washing windows and collecting donations for their local program. Donations from this event help local programs buy the equipment and uniforms and help defray costs of training facilities throughout the year.

This is a positive PR opportunity for your department and a wonderful way to meet some of the athletes who live in your town and in your county!

How can our department get involved?

With 17 locations throughout the state, more help than ever is needed! Please look at the attached list and locate a participating store near you. Once you've selected a store, please fill out the attached "TSP Registration Form" and return it no later than May 15th to kbookless@vtso.org.

If there is not a participating store near you, please consider helping a smaller department cover their location. For more information about this and other events, please call (802) 863-5222 x105.
